Section 4: Certification Statement

THE APPLICANT:

1. Certifies that the applicant is a legal resident of the state of Tennessee and is registered to do business in Tennessee.
2. Certifies that the applicant owns and operates the truck tractor for which it is applying for grant funding and that the vehicle is registered in Tennessee.
3. Certifies that the proposed vehicle has a 1995-2010 model year engine.
4. Agrees to submit the following reporting information on a quarterly basis through 2010. Failure to submit the requested information on a timely basis will be considered a breach in the agreement and all grant monies must be returned. Quarterly reports for each retrofitted vehicle will include:
 - a. total miles traveled during the reporting period
 - b. number of gallons of fuel consumed by the truck's main engine
 - c. estimated number of hours the truck's main engine spent in parked idle
 - d. estimated number of hours the APU was used

APPLICANT CERTIFICATION

I certify to the best of my knowledge that the information in this application is true and correct and that I am a legally authorized signatory or designee for the submittal of this application and any other required information on behalf of the applicant.
